CAPRIAN, Iulia, COVALI, Olga. Metodologia evaluării eficacităţii realizării programelor cu destinaţie specială pe termen lung. In: Paradigme moderne în dezvoltarea economiei naţionale şi mondiale. 30-31 octombrie 2020, Chisinău. Chişinău: Centrul Editorial-Poligrafic al USM, 2020, pp. 383 - 388. ISBN 978-9975-152-69-3.

The problems facing society today have a chance to be solved only to the extent that material, human, financial, information resources will be efficacious and effective capitalized. The effectiveness of the use of public resources is a topic often addressed, but a methodology for its assessment is difficult to identify. In the context of those stated, the authors describe the algorithm of evaluating the effectiveness of carrying out special-purpose programs in the term long. The methodology recommended by the authors will allow the most appropriate evaluation of the budgeting on the basis of special-purpose programs in the public system.
